

Pallbearers: Friends & Relatives

*Living Life*

*Written by Tanya Walker*

*I lived all of my life just to live again,  
And I want you to know that I've made it on in.  
In my life I had challenges as most people do,  
But now those days are over and I'm living life anew.  
I lived, and loved my family with all of my heart,  
And I never dreamed of the day when we'd  
have to be apart.  
But I left them knowing deep down inside  
that they would be alright,  
My words to you are, "Get your house in order,"  
because one day you'll take this flight.  
The thing about it is, we don't know God's schedule,  
It could be morning, night or noon,  
But if you've accepted the Lord as your Personal Savior,  
I know that I'll see you soon!!!*
